A finance charge of 1.5% per month will be assessed to all past due accounts, subject to the \$5.00 minimum. Parents may be asked to withdraw their students from the Academy should accounts reach 45 days late. There is a \$50.00 service fee for returned checks. The registration fee (*non-refundable*) must be paid to assure your child a place in class. You should carefully read the "Statement of Cooperation" with regard to your financial obligations. For partial months we will utilize the Daily Rate Multiplier (DRM) to determine the proper tuition. Should a student withdraw during the school year, a \$200.00 separation charge will be added to the account. Records can not be released until all financial obligations have been settled. Annual tuition amounts will not be reduced before September 15, 2024 or after April 15, 2025.
